## 1998 Index

ARTICLES IN THE FOLLOWING INDEX TO *SECURITY MANAGEMENT* WERE published from January 1998 to December 1998. The full text of many articles can be accessed through the *Security Management* Online library (<http://www.securitymanagement.com>). A searchable index of all articles published since 1957 can also be accessed through ASISOnline (<http://www.asisonline.org/IRC/smi.html>).

Single copy reprints of individual articles can be purchased from **University Microfilms International (UMI)** 800/248-0360, 734/761-4700 or fax 734/761-1136; or **Copyright Clearance**

**Center (CCC)** 978/750-8400 or fax 978/750-4744.

Collections of articles on specific topics have also been reprinted in book form. Recent additions to this reprint series cover such topics as security technology, management practices, workplace violence, and liability.

To order back issues, purchase copies of *Security Management* reprints, or obtain a full catalog of publications available through ASIS, contact ASIS Customer Services by phone (703/519-6200) or fax (703/519-6299).
